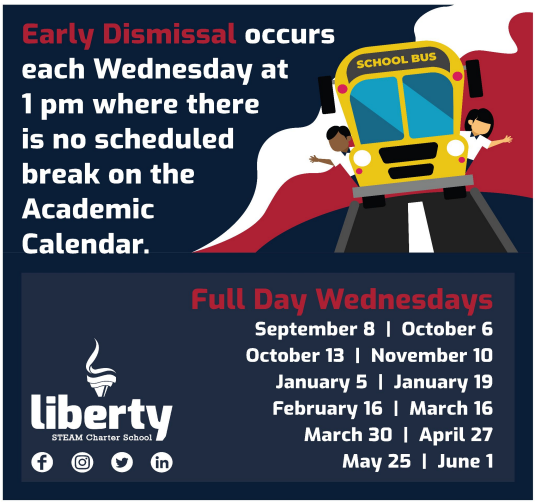
Liberty STEAM Charter
News from the Nest
Week of Sept 20-24

This week's newsletter is dedicated to updates, reminders, and things to note.

Here are some updates, reminders, and things to note for the coming week and beyond...

- Wednesday early dismissal is not an every Wednesday occurrence; please take note of the days that are FULL day and FULL uniform Wednesdays.



- If your scholar is enrolled in the HYPE After School program but will NOT be attending on a given day for any reason, please communicate that information to their teacher so we know to not send them to the after school staff at dismissal.

- A special remind has been set up for each teacher pairing to provide safety messages/ information specific to that classroom. Please refer to the graphic to the left for your classroom's enrollment shortcode.
