

Liberty STEAM Charter News from the Nest Week of April 4-8

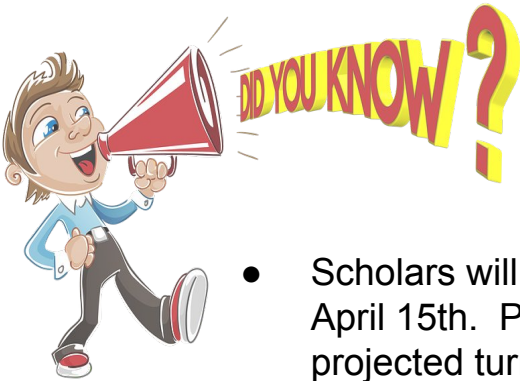

Hear Ye, Hear Ye

Movement is happening at the Eagle's Nest and we are excited about it. Our scholars are returning to our Enrichment rooms for their STEAM and Spanish periods. In addition to the return to Enrichment rooms, scholars will begin using the cafeteria during their lunch periods. These changes come with two other announcements for you, our LSC families: the opportunity to come have lunch with your scholar in our cafeteria during their designated lunch time and a classroom donation ask from Profe (including on her wish list are crayons, markers, paper towels, disinfectant wipes, pipe cleaners, construction paper). We are grateful for your love and support of LSC.

Here are some updates, reminders, and things to note for the coming week and beyond...

- LSC will be host site for a COVID vaccination clinic on Saturday, April 9th from 9 am-12 noon. This event is free and open to the public for 1st and 2nd dose shots as well as boosters. If your scholar has been vaccinated against COVID, please be sure to send in that information via email to covid@libertysteamcharter.org to be placed on file in the nurse's office.

- Scholars will have the opportunity to sit for spring photos on Friday, April 15th. Please be advised that as of now there is a 6 week projected turnaround time to receive photos which means the anticipated date could be May 27th.
- Our spring break week begins on Monday, April 18th; Friday, April 15th is a full school day for LSC scholars and staff.
 - Mark your calendars for Thursday, April 28th for a morning arrival Family Engagement opportunity to "Start with Stories." More details to follow.
- Opportunities to help in and around the Eagle's Nest will be plentiful as we round out this school year. Please look for information on ways to volunteer to come from your scholar's homeroom teachers or posted to social media and ClassDojo
