## News from the Nest

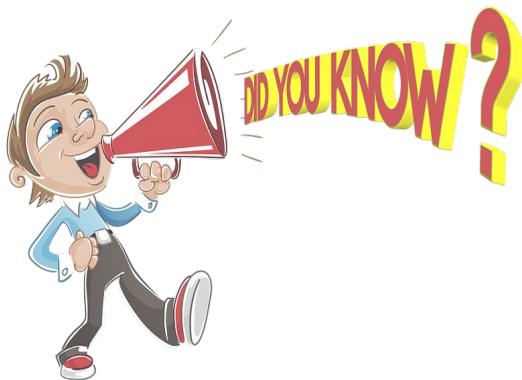

### Week of March 28-April 1

#### LSC Parent Academy Information

Information has been previously shared regarding the Parent Academy. The vision for LSC's Parent Academy is to bring engaging school events and opportunities for involvement to our families. Without knowing, many of you have already been actively involved in our Parent Academy through your commitment to your scholar's academic progress via your attendance in parent conferences, volunteering to guest read or help with the book fair, and coming out during our recent Books and Blankets event. While Covid has burdened much of the school year, we are happy to be able to invite more parents/families into our space for special events. We hope that next year will welcome many of the events that we have discussed as options for families to participate in and attend. Please refer to ClassDojo for more information as to the types of events that will take place and how involvement will be incentivized to benefit your scholars.

Here are some updates, reminders, and things to note for the coming week and beyond...

- LSC will be host site for a COVID vaccination clinic on Saturday, April 9th from 9 am-12 noon. This event is free and open to the public for 1st and 2nd dose shots as well as boosters. If your scholar has been vaccinated against COVID, please be sure to send in that information via email to [covid@libertysteamcharter.org](mailto:covid@libertysteamcharter.org) to be placed on file in the nurse's office.
- Scholars will have the opportunity to sit for spring photos on Friday, April 15th. Please be advised that as of now there is a 6 week projected turnaround time to receive photos which means the anticipated date could be May 27th.
- Our spring break week begins on Monday, April 18th; Friday, April 15th is a full school day for LSC scholars and staff.
