

Liberty STEAM Charter News from the Nest Week of Jan. 31–Feb. 4

What originated in the United States, the annual observance of Black History Month from February 1st to March 1st is now recognized in Canada, the United Kingdom and Ireland. The month-long celebration honors the achievements of Black Americans and their contributions to the development of the United States as we know it today. As a STEAM-focused school of choice, LSC will honor the contributions of Black Americans in the areas of science, technology, engineering, arts and mathematics both on campus and our social media platforms.

LSC's Core Values remain the cornerstone of our culture expectations for all Eagle scholars. Being able to align the quoted words of remarkable Americans to our Core Values strengthens the understanding of them. An example of Growth Mindset lies in the following quote:

“Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed.”

—Booker T. Washington

Here are some updates, reminders, and things to note for the coming week and beyond...

- Report cards will come home in NEST binders on Monday, January 31st. We are asking that you sign and return them to school within 2 days.
- How about a sweet treat from Sweet Frog to end your Wonderful Wednesday? Wednesday, 2/2 is Spirit Night at Sweet Frog. Grab some fro-yo and help support LSC. Congratulations to Ethan D. and Adilene P. from the Thunderous Thinkers who won last month's Spirit Night raffle sponsored by Sweet Frog!
- Taekwondo and Gardening begin Wednesday, February 2nd. We are excited to bring new, enriching opportunities to the Eagle's Nest and look forward to sharing with you through picture. There may exist some opportunities for parent support in our gardening efforts; more information to come.
