

2025-26 Primary Academy Parent FAQ

#	Question	Answer
1	What time does my scholar get dropped off on Monday-Friday?	7:30-8:00 AM with staff supervision available. After 8 am, scholars must be walked in with an adult. Scholars are considered tardy at 8:05 am and must be signed in by an adult.
2	What time is scholar pick up on Monday-Thursday?	The expectation is that scholars are picked up between 3:10-3:30 pm. Any pickups after 3:40 pm are considered a late pickup. If a scholar is picked up late more than 3 times, the family may be called in for a conference and the scholar will be placed on an attendance plan.
3	What time do scholars get dismissed on Friday?	11:50 AM -12:10 PM Scholars are late dismissal at 12:11 PM. Scholars with excessive late pick ups will be addressed on a case-by-case basis by school administration.
4	Will there be an early release cut off time at the primary academy?	If you plan to pick up your scholar early from school you must get them before 2:15. For the safety of our scholars, and to ensure a smooth transition to dismissal, no scholar will be dismissed after 2:15.
5	What is the educational model?	For the purposes of consistency across campuses, every scholar begins their day with a 30 minute Social Emotional Learning (SEL) lesson. For literacy, we believe in an approach that is based on the science of reading that infuses foundational literacy practices, reading comprehension, and volume of reading. To accomplish our vision, we use the knowledge building curriculum HMH Into Reading and Writing Program, Daily Small Group Phonics/Reading Lessons, Phonemic Awareness Instruction, Independent Reading time, Modeled writing, and computer-based programs (RAZ Kids, IXL, Epic Books, etc.) For math, we believe excellent mathematics instruction reinforces the shifts in mathematical practices by balancing scholars' conceptual understanding of mathematical principles with application and fluency practice. To accomplish that vision, we have chosen the Eureka mathematics curriculum in addition to the IXL online system.
6	Is early care offered?	Yes. We are committed to offering early drop off for families who need it beginning at 6:00AM for a monthly fee. Contact Mrs. Billups for more information (cbillups@libertysteamcharter.org). Sign up using this link: https://shorturl.at/ZIfEU

Classroom teachers will use progress monitoring tools to identify scholars that need additional intervention.

STEAM Project Lead the Way is built off of four modules to reflect Sumter's greatest economic needs - industrial technology, engineering technology, business technology, & health sciences. Scholars will have a flex schedule, which means sometimes, they will have the same enrichment twice in one week, but once in alternating weeks.
23	What SEL support is offered?	<p>LSC's educational model places a high priority on social-emotional learning (SEL). To ensure that scholars develop these important skills, the first 30 minutes of each day are dedicated to a morning meeting. This meeting follows the Fly Five SEL curriculum, which focuses on five key competencies: cooperation, assertiveness, responsibility, empathy, and self-control (C.A.R.E.S). At the beginning and end of the school year, scholars participate in an SEL assessment to measure their SEL performance. This assessment evaluates scholars' performance levels using ranges such as above average, at or around average, below average, and well below average. The assessment also measures scholars' competencies in four categories: emotion recognition, social perspective-taking, social problem-solving, and self-control.</p> <p>If scholars are identified as needing additional support in SEL, the team may recommend various programs. These include the Eagles Take Flight community mentoring program, which provides personalized guidance and support. Another option is the daily check-in/check-out program (CICO), which helps scholars monitor and manage their behavior. Additionally, weekly SEL small groups provide a supportive environment for scholars to work on their social-emotional skills.</p> <p>It is important to note that SEL is not limited to individual scholars but is a school-wide focus. To celebrate the commitment to SEL, schools hold Community Culture Celebrations (CCC) on Fridays, where the achievements and progress made in this area are recognized and celebrated by the entire school community.</p>

(Show Respect, Obey Rules, Accept Responsibility, Rise to Excellence) core values. Scholars are recognized for their demonstration of these strong characteristics and their peers and family celebrate them for making responsible choices and being good citizens.
