Enrichment at LSC is assessment using a standards-based approach with mastery occurring over time. It is common for scholars to be assessed at the “progressing” level for the first two quarters as many of the enrichment standards are assessed in master chunks taught & mastered over many weeks of instruction.				

What can you expect from teachers from quarters 2-4??		
Seeing Grades	Receiving Graded Work	Retaking Assignments
You can expect teachers to input grades every two weeks every other Thursday.	You can expect teachers to send home graded work every other Thursday.	Teachers will allow scholars to retake an assignment where a score of 60 or below was earned. The teacher will replace the grade with the higher one.

What do we expect from parents for quarters 2-4?

Parents are encouraged to check Parent Portal regularly. If you do not have Parent Portal, please email mwilber@libertysteamcharter.org . Parent Portal is an online website/app where you can check grades live as they are input and even set up notifications to receive grade alerts.	Graded work will come home every other Thursday. Please sign to acknowledge you have reviewed your scholar’s work.	Parents should reach out to the teacher to schedule a retake where a reteaching component is offered by the teacher.
